

PROFESSIONAL SUMMARY

Results driven Digital Marketing professional with hands on training and practical project experience across social media marketing, content strategy, Meta Ads, SEO, WordPress/Elementor, UGC advertising, AI avatar content and AI assisted workflows. Proven ability to plan and execute end to end content systems from hook writing and short form video production to profile growth and performance tracking demonstrated through a real estate Meta lead generation campaign that delivered qualified enquiries at a low cost per conversation, and a self-initiated AI avatar content series that crossed 183K+ Reel views. Comfortable working across the modern marketing stack (Meta Ads Manager, Google Ads, GA4, GSC, SEMrush/Ahrefs) as well as emerging AI tools (ChatGPT, Claude, Gemini, NotebookLM) to move faster from idea to published, measurable content. Looking for a role where social media, content strategy, paid media and AI driven workflow automation can be combined to deliver measurable business outcomes.

WHAT I BRING TO THIS ROLE

- Practical, hands-on training across the full content and social media stack - content strategy, Meta Ads, SEO, and AI-assisted production.
- Proven execution: a real-estate Meta lead-generation campaign and a self-initiated AI avatar content series crossing 183K+ Reel views.
- Working knowledge of AI workflow automation tools to speed up research, content ideation, and creative production.
- Agency-owner perspective - direct experience managing local business clients (schools, gyms, real estate, interiors) end-to-end.
